January 2022

Dear Sir/Madam,

Re: Sponsorship Opportunity

On behalf of St Edwards Roman Catholic School, we are contacting you to enquire whether you would consider becoming the sponsor for the school's council group.

What do we do?

The School Council works to:

- Promote the individual voices of all children throughout St Edward's School.
- Give pupils the opportunity to express their ideas and suggestions to make improvements to the school environment and make it the best place that it can possibly be!

What's in it for you?

If you agree to be our sponsor, we will:

- Promote your company by advertising your logo on our high-vis jackets.
- Regularly update our Twitter feed, school website and other social media platforms with images of the high-vis jackets referencing your company.
- Ensure the high-vis jackets are worn during all off-site educational visits.

What do we need?

We are looking for an approximate sponsorship of £160 to provide each member of the School Council with a high-vis jacket advertising your company. With permission, you would be most welcome to share your sponsorship on your own social media platforms.

We look forward to hearing from you soon.

Warm regards,

St Edward's School Council
