Dear Sir/Madam

We are writing to you to introduce ourselves as the School Council group of our school and to offer you the opportunity to become our sponsor.

Our role as a group is to promote the voices and opinions of all the children in school. Each class has 2 councillors to put forward all of the voices and opinions which may include ideas for change or improvements to day to day life at school. We will listen to everyone and hope that we can make changes for the better, promote success and happiness. We love our school!

We are working towards all school councillors having a high-vis jacket to wear at break times on the playground so other children know who we are and can come and talk to us. We have also put in place a suggestion box for all of the children to post their ideas and suggestions to make school a better place for everyone.

If you agree to be a sponsor for our School Council, in return we will be very happy to support your business too by having your logo on our jackets. We will also promote your business on all of the school's social media and whenever possible. With permission, you are also welcome to share details of the sponsorship given to us on your own social media platforms.

We are looking for sponsorship of approximately £160 in order that we can provide a jacket to all of the school councillors within the School Council. Any support you can offer would be amazing.

Any questions, please let us know. We very much look forward to hearing from you soon and hope that we can work with you.

Kind regards

St Edward's School Council
