

School Council Minutes - 3/10/22

Key Stage 1

Item 1

We discussed the role of School Councillors and talked about the importance of representing the school in a positive and appropriate manner. All pupils signed a contract agreeing with the terms of being a School Councillor.

Item 2

We talked about the need to have suggestion boxes in each class room. School councillors or teachers are responsible for making sure that these are in place before the next meeting. Class names may need updating on boxes.

Item 3

We received our high-vis jackets. It is important for everyone around the school to know who we are so that they can share any ideas and suggestions with us. We are proud to represent our team.

Questions raised:

Q: Can we add our own suggestions to the class boxes?

A: Yes, everybody can participate in making suggestions and sharing ideas.
